You can change a student’s life...
"I would like to express my gratitude, because thanks to the scholarship I received, I will continue pursuing my goals here as an international student. The experience is very important for my life, because I am growing as a musician, as well as a human being. I will be prepared to demonstrate all my experiences and teach many people in my country. Maybe in the future, I could build a better society for my country with music. This could not have been done without your help and support." – B.V. (Jazz Studies Major)

"My scholarship award is extremely helpful in allowing me to study here and pursue my ambitions. I am so humbled and thankful to be awarded with this scholarship. My scholarship has been such a help to me. I only hope that the scholarship program can expand and deepen to help others even more." – J.D. (Double Bass)

"I could not be more appreciative of the unique opportunities that I have been given at UNT. Had I not received these scholarships, I would not have been able to take part in all of these opportunities." – CW (Oboe Performance)

"I am incredibly thankful for your generosity and for the fact that when I take a bow I can be even more thankful, because I have added to my long list of people who have directly contributed to my success as a musician. You are a highly appreciated piece of a chain reaction with the desired end result of bringing people joy, and togetherness, and hopefully more and more so as I continue studying and practicing and growing, and I can’t thank you enough!" – S.D (Flute Performance)
